About Us

The Lumina Global School & College is a fully virtual institution affiliated with FBISE offering both Cambridge O Levels and FBISE Matric/FSc programs. Following the lead of top virtual schools, we emphasize flexibility, academic excellence, and purpose-driven learning—making education accessible for students in Pakistan and abroad.

- ✓ Fixed Time Table
- ✓ Expert Faculty
- ✓ Up-to-Date Curriculum
- ✓ Inclusive Community
- ✓ Interactive Learning Environment

Vision & Mission

● Our Vision

To become a renowned online school where every student evolves into a lifelong learner with strong ethics, global awareness, and future-ready skills.

● Our Mission

Deliver accessible, technology-enhanced education grounded in Islamic values, critical thinking, and real-world application.

Our Educational Philosophy

LGS prioritizes meaningful learning, moving beyond memorization to foster deep understanding and critical thinking. Our progressive digital education, powered by cutting-edge technology, delivers engaging, personalized, and flexible learning experiences. We equip students for global success by developing both academic and practical skills.

What Sets Lumina Apart?

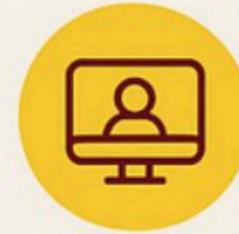

- **Global Curriculum Offerings** – Dual pathways with Cambridge & FBISE certifications.
- **Expert, Dedicated Educators** – Trained professionals delivering live sessions and personalized support.
- **Flex-Learn Model** – Synchronous 40-minute classes combined with on-demand recorded content and discussion boards.
- **Holistic Development** – Narrative feedback, character-building modules, and emphasis on ethical growth.
- **Scholarship Programs** – Available on merit, need-based criteria, and for orphaned students.
- **Skills for the Future** – Integrated modules in AI, Python, Arabic, and Islamic Studies.
- **Inclusivity & Engagement** – Flexibility similar to top virtual academies, enabling global student access and personalized pace

IGCSE / O Level Program at The Lumina Global School & College

About IGCSE / O Level:

The Lumina Global School & College offers a world-class Cambridge O Level/IGCSE program, carefully designed to prepare students for both academic excellence and lifelong success. Our curriculum blends rigorous subject knowledge with the development of critical thinking, problem-solving, and communication skills, enabling students to thrive in higher education and future careers.

This program is ideal for Gulf-based and overseas Pakistani students who want international qualifications with recognition in Pakistan.

“World-Class Cambridge O Level/IGCSE – Academic Excellence, Islamic Values, and Global Opportunities.”

Our Approach to IGCSE / O Levels:

“Strategic preparation, personalized support, and values-driven learning for exam success.”

- Expert Faculty – Cambridge-trained, highly qualified teachers dedicated to academic success.
- Live & Interactive Learning – Secure online classrooms fostering active participation and engagement.
- On-Demand Resources – Recorded lectures and digital materials available for review anytime.
- Examination Readiness – Regular assessments, MCQ drills, past-paper practice, and full mock exams with personalized feedback.
- Holistic Development – Emphasis on values, leadership, creativity, and 21st-century skills for well-rounded growth.
- Personalized Counseling – Each student receives guidance to select the right subject combination for future career pathways.
